TO THE END OF THE REPUBLIC

By TENNEY FRANK

Professor of Latin in the Johns Hopkins University

310 pp. Cloth, \$2.50.

As a study of the economic development of the city of Rome, the governing centre of the civilized world, it stands alone in its completeness, in the thorough use which the author has made of available evidence, in the sound judgment which he has shown, and in the clear, convincing way in which he has set forth his conclusions.

LIFE AND STORIES
OF THE
JAINA SAVIOR PĀRÇVANĀTHA

BY

MAURICE BLOOMFIELD,

*Professor of Sanskrit and Comparative Philology in
The Johns Hopkins University*

266 Pages. Octavo. Cloth, \$3.00

Almost from the beginning of Hindu time the Brahmanical religion of India was subjected to criticism and renewed speculation on the part of Hindu thinkers of independent mind, resulting in much heterodox teaching and Sectarian activity. The religion of the Jainas is the older of the two great heretical Sects which grew up many centuries before Christ, the other being Buddhism. Unlike Buddhism the Jaina religion was not founded by a single great religious teacher, but reveres traditionally twenty-four Saviors (Arhats) which go back to an unthinkable antiquity. Only the last two of these have any kind of historical standing, and even they are known only by tradition founded upon more or less dubious chronicles. The older of these is Pārçvanātha, said to have been born in 817 B. C. He seems indeed to have been an historical personage; at any rate he figures large in Jaina consciousness, and the doctrines ascribed to him are fundamental in Jaina religion.

The present work contains the fullest extant account of the Jaina Savior Pārçvanātha's life, preceded by nine pre-births, all treated with the care of a chronicle of real life and with the sincerity of devout belief. With this life are interwoven a large number of stories illustrating Jaina morality and doctrine. The Jainas are, perhaps, the best story-tellers of India; the present volume adds to the chain of Hindu fiction books a jewel of no mean price. This work should arrest the attention of students of Comparative Literature and Folklore as well as students of the History of Religion.
